

## CYCLING SELECTION CRITERIA

### NSWIS SELECTION GUIDELINES 2020 – CYCLING

#### NSWIS AIM

The NSW Institute of Sport (NSWIS) will work in partnership with sport to deliver programs that will develop and assist identified high performance NSW athletes and coaches to achieve excellence and success at an international level.

NSWIS will be a major player in the delivery of internationally recognised programs, coaching and services to achieve world-class performance as part of an effective, nationally coordinated, high performance sport network.

#### PROGRAM PURPOSE

The **NSWIS Cycling Program** will provide world-class coaching, training and competition, facilities and support services to improve athlete development. This adheres to the programs four-year strategy with a view to support the daily training needs of Olympic and Paralympic discipline track cyclists and elite international road cyclists. The program aims to facilitate the progress of Emerging and Developing category level athlete's through to Podium levels underpinned by a dedicated Cycling NSW Talent squad. NSWIS supports progression of athletes through the Cycling Australia pathway in line with national objectives and prepares them for longevity in cycling.

#### SELECTION AIM

The aim of selection is to ensure the best and most suitable athletes available are included in NSWIS programs, according to program description, selection processes and criteria as agreed.

#### PROGRAM DESCRIPTION

##### Target Athlete Group

The NSWIS program primarily caters for Cycling Australia categorized 'Emerging' and 'Developing' track endurance and sprint athletes as scholarship holders. The program also supports elite NSW athletes categorized by Cycling Australia, targeting international events across all cycling disciplines.

*NB: All athletes must be Australian citizens and current financial paying members of Cycling NSW to be nominated for NSWIS Squad scholarship.*

*NB: An athlete who does not reside in NSW but is eligible to represent NSW at National Championships may be selected, but only after referral to and authorisation by the Program Partners and Management Group (PPMG).*

##### Structure

The NSWIS Cycling Program is an individual skill based, decentralised program operating from the Dunc Gray Velodrome and other identified venues throughout NSW.

##### Maximum no. of scholarships

NSWIS will offer a maximum number of scholarships (excluding associate), incorporating Para Cycling Track and Road athletes across Podium Levels and Track Endurance and Sprint disciplines across Developing and Emerging scholarship categories. This number will be based on categorisation numbers, ideal squad size and program capacity each scholarship period.

NSWIS reserves the right to offer training agreements to athlete's who have the ability to add to the daily training environment.

## CYCLING SELECTION CRITERIA

Talent athletes will be supported by CNSW under the State Track Squad initiative and are NOT NSWIS scholarship holders.

Associate NSWIS scholarships may be offered.

### **SELECTION CRITERIA**

Athletes will be eligible for an NSWIS Cycling scholarship based on their performance relative to the Cycling Australia selection guidelines and NSWIS Expressions Of Interest (EOI) for one of the scholarship categories listed below.

*NB: 'Eligibility' does not necessarily guarantee an NSWIS scholarship offer. This will be dependent on the number of scholarships available and athletes will be ranked by performance according to Sport Australia guidelines and will need to gain the necessary recommendation from the NSWIS Head Coach and subsequent approval by the PPMG.*

### **Cycling Disciplines covered by NSWIS Selection**

The selection of athletes for the NSWIS Cycling Program covers events for males and females included in the Olympic Games and World Championships from the disciplines of Track & Road.

The NSWIS Cycling program will consider Sport Australia categorized Mountain Bike athletes only on the basis of recommendation and endorsement by Cycling Australia and include select services as determined by the head coach.

### **NSWIS Cycling Scholarship Categories**

There are 5 Scholarship Categories within the NSWIS Cycling Program with primary focus on 'Emerging' and 'Developing' level athletes.

### **Cycling Australia Selection Guidelines for the NSWIS Cycling Program**

The following guidelines outline the minimum requirement for athletes to achieve a specific category of scholarship along with the process and timing of scholarships being offered. The guidelines need to be considered in accordance with EOI's and other factors before a scholarship will be offered. These will include:

- Resources (i.e. coaching, financial, training venue) available at the SIS/SAS to support each athlete that meets the criteria;
- The program (AIS, CA High Performance or SIS/SAS) responsible for the majority of the athlete's requirements; and
- Athlete's availability for national team representation within the scholarship period, or provided appropriate reasons if not and ability to relocate to appropriate daily training environments; and
- SIS/SAS athletes transferring from other sports who may be nominated for a scholarship by the SIS/SAS without achieving the outlined criteria.

## CYCLING SELECTION CRITERIA

### NSWIS SELECTION GUIDELINES

#### Squad Selection Ratification

The Head Coach will nominate potential scholarship holders to a selection panel. The selection panel will comprise of the key program partners including the nominated PPMG signatories from the State and National sporting organisations.

Athletes nominated for scholarship must be approved by the PPMG prior to athlete notification and induction.

Where a conflict of interest exists with any member of the panel (e.g. when a member has a personal involvement with an athlete under consideration), that member will exclude themselves from any decisions relating to identified athlete/s.

*NB: Selection criteria will be reviewed annually by the PPMG.*

*NB: Selection to the NSW State teams and National teams is independent from NSWIS Squad athlete selection or membership. Athletes are under no obligation to accept a NSWIS scholarship offer*

#### Accepting and Maintaining a NSWIS Scholarship

The NSWIS Scholarship athletes must sign and abide by a NSWIS Athlete Agreement, Athlete Code of Conduct and ASADA Guidelines for the term of the scholarship. It is the responsibility of the athlete to ensure all conditions of the Agreement are met at all times, including maintenance of a healthy lifestyle and fitness.

The composition of the squad may be amended by the PPMG at any time where an athlete's scholarship is withdrawn based on an athlete's performance review, or an athlete meets selection criteria during the course of a scholarship year.

The level of scholarship an athlete receives is performance based. All scholarships will be reviewed at least 2 times per year. These will generally be held on a 6 monthly basis following the domestic and international seasons.

Following each review, NSWIS athletes will either remain at their current scholarship level or be nominated by the NSWIS Head Coach to be moved to another scholarship level. Athletes who perform below expectation and do not meet expected performance indicators may have their scholarship withdrawn.

#### Athlete Withdrawal from NSWIS Sport Squad Scholarship

An athlete wishing to withdraw from their NSWIS Scholarship may do so by informing the NSWIS Head Coach in writing at any time.

Any equipment loaned to an athlete through the NSWIS Program must be returned to the Head Coach upon withdrawal of a scholarship. Athletes who do not return equipment will be liable for the cost of all outstanding equipment.

#### Scholarship Suspension / Termination

An athlete's scholarship may be suspended or terminated where he/she breaches the NSWIS Athlete Agreement, Code of Conduct, Sport Code of Conduct (or equivalent), ASADA/WADA guidelines and/ or brings the Institute and / or the Sport into disrepute.

## CYCLING SELECTION CRITERIA

In this instance the NSWIS CEO, in consultation with the Program Partners will recommend to the NSWIS Board, the suspension or termination of the athlete's scholarship.

The NSWIS Board is the only body that has the power to terminate or suspend an athlete scholarship. The athlete, Head Coach and Program Partners will be advised in writing of the outcome.

### **Athlete Appeals Process Relating to Non Selection of NSWIS Athlete Scholarship**

Athletes may appeal non-selection to the NSWIS or withdrawal of a scholarship by contacting the Sport Coordinator in writing within two weeks of withdrawal or non-selection. The PPMG will hear all appeals within two weeks of notification. The Coordinator may appoint an independent to the Appeals Panel where deemed necessary. A full report of the Appeals Panel's decision will be forwarded to the athlete and NSWIS CEO within one week of the Appeals hearing.

Athletes may be accompanied by a support person of their choice at all times during the Appeals process
