

NSWIS SELECTION GUIDELINES - Winter Sports

NSWIS Aim

The NSW Institute of Sport (NSWIS) will work in partnership with sport to deliver programs that will develop and assist identified high performance NSW athletes and coaches to achieve excellence and success at international level.

NSWIS will be a major player in the delivery of internationally recognised programs, coaching and services to achieve world-class performance as a part of an effective, nationally coordinated, high performance sport network. NSWIS will apply local flexibility to support talent.

Program Purpose

To support Australian winter sport athletes to become world's best on the international stage.

The Program is a Partnership with the Olympic Winter Institute of Australia (OWIA) and Ski & Snowboard Australia (SSA) with complementary partnerships for the Australian Paralympic Committee (APC), Perisher, Thredbo and NSW Government.

Selection Aim

The aim of selection is to ensure the best and most suitable athletes available are included in NSWIS programs, according to program description, selection processes and criteria as agreed.

Program Description

Target Athlete Group

The NSWIS program generally caters for senior elite and elite development athletes who are likely to represent Australia and achieve podium results at the World Cup, World Championship & Olympic/Paralympic level.

NB: All athletes must be Australian citizens and current financial paying members to the state/national sporting organisations to be nominated for NSWIS scholarship.

Structure

The NSWIS program is a decentralised program operating from the NSWIS, Jindabyne Sport and Recreation Centre, Perisher and Thredbo ski resorts and other identified venues both domestically and internationally.

Maximum no. of scholarships

Up to **50** NSWIS scholarships will be selected each year.

- Snowboard Cross – **up to 12** athletes
- Individual (Snow and Ice) – **up to 5** athletes

NB: individual scholarships will be offered to athletes based on performance; Podium Potential athletes or higher or an athlete ability to obtain a Podium Potential performance

Please note: Each discipline may nominate **up to** their respective squad maximum, however **nomination/eligibility does not guarantee selection**. If the nominated squad numbers exceed the overall Program scholarship maximum the Program, Planning and Management Group (PPMG) will have the final decision on the athlete numbers within each discipline.

Selection Criteria

Athletes will be eligible for inclusion into the NSWIS Winter Sports Program based on their performance relative to the National Athlete Categorisation Framework and general selection factors for one of the scholarship categories listed below.

NB: 'Eligibility' does not necessarily guarantee an NSWIS scholarship offer. This will be dependent on the number of scholarships available and athletes will be ranked by performance accordingly and will need to gain the necessary recommendation from the discipline Head Coach/Coordinator and/or NSWIS Winter Sports Coordinator and subsequent approval by the PPMG.

NSWIS Selection Guidelines

Squad Selection Ratification

The National discipline specific committee (including the Head coach/ coordinator where applicable) will nominate athletes for scholarship based on their respective national discipline selection criteria. The nominated scholarship athletes will be provided to the NSWIS Winter Sports Program PPMG for approval. The PPMG will review the squads as a whole, and ensure the overall Program numbers are within maximum scholarship numbers before providing final approval. If overall numbers exceed maximum numbers the PPMG will have final decision of numbers within each squad. Discipline squad numbers may vary year to year.

The nominated Scholarship athletes must be approved by the PPMG prior to athlete notification and induction.

NB: Selection criteria will be reviewed annually by the PPMG.

NB: Selection to the NSW State teams and National teams is independent from NSWIS Squad athlete selection or membership. Athletes are under no obligation to accept a NSWIS scholarship offer.

Accepting and Maintaining a NSWIS Scholarship

The NSWIS Scholarship athletes must sign and abide by a NSWIS Athlete Agreement and Athlete Code of Conduct for the term of the scholarship. It is the responsibility of the athlete to ensure all conditions of the Agreement are met at all times, including maintenance of a healthy lifestyle and fitness.

The composition of the squad may be amended by the PPMG at any time where an athlete's scholarship is withdrawn based on an athlete's performance review, or an athlete meets selection criteria during the course of a scholarship year.

The level of scholarship an athlete receives is performance based. All scholarships will be reviewed 2 times per year. These will be held on a 6 monthly basis in October and May following the domestic and international seasons.

Following each review, NSWIS athletes will either remain at their current scholarship level or be nominated by the discipline Head Coach to be elevated or demoted to another scholarship level. Athletes who perform below expectation and do not meet expected performance indicators may have their scholarship withdrawn.

Athlete Withdrawal from NSWIS Sport Squad Scholarship

An athlete wishing to withdraw their NSWIS Scholarship may do so by informing the NSWIS Winter Sports Coordinator in writing at any time.

Any equipment loaned to an athlete through the NSWIS Winter Sport Program must be returned to the discipline Head Coach/Coordinator upon withdrawal of a scholarship. Athletes who do not return equipment will be liable for the cost of all outstanding equipment.

Scholarship Suspension / Termination

An athlete's scholarship may be suspended or terminated where s/he breaches the NSWIS Athlete Agreement, Code of Conduct, Sport Code of Conduct (or equivalent) and/ or brings the Institute and / or the Sport into disrepute.

In this instance the NSWIS CEO, in consultation with the Program Partners will recommend to the NSWIS Board, the suspension or termination of the athletes scholarship.

The NSWIS Board is the only body that has the power to terminate or suspend an athlete scholarship. The athlete, discipline Head Coach/Coach Coordinator and Program Partners will be advised in writing of the outcome.

Athlete Appeals Process Relating to Non Selection of NSWIS Athlete Scholarship

Athletes may appeal non-selection to the NSWIS or withdrawal of a scholarship by contacting the Coordinator of the NSWIS Appeals Panel in writing within two weeks of withdrawal or non-selection. The NSWIS Appeals Panel will hear all appeals within two weeks of notification and will consist of the Coordinator and PPMG. The Coordinator may appoint an independent to the Appeals Panel where deemed necessary or at an athlete's request. A full report of the Appeals Panel's decision will be forwarded to the athlete and NSWIS CEO within one week of the Appeals hearing.

Athletes may be accompanied by a support person of their choice at all times during the Appeals process.
