NSWIS Selection Guidelines

Squad Selection Ratification

The Head Coach will nominate potential scholarship holders and Talent athletes to a selection panel. The selection panel will comprise of the program Sport Partners.

The nominated Scholarship and Talent athletes must be approved by the program Sport Partners prior to athlete notification and induction.

Where a conflict of interest exists with any member of the panel (eg. when a member has a personal involvement with an athlete under consideration), that member will exclude themselves from any decisions relating to identified athlete/s.

Athlete training schedules and support will vary between scholarship categories:

NB: Selection criteria will be reviewed annually by program Sport Partners.

NB: Selection to the NSW State teams and National teams is independent from NSWIS Squad athlete selection or membership. Athletes are under no obligation to accept a NSWIS scholarship offer.

Accepting and Maintaining a NSWIS Scholarship

The NSWIS Scholarship athletes must sign and abide by a NSWIS Athlete Agreement and Athlete Code of Conduct for the term of the scholarship. It is the responsibility of the athlete to ensure all conditions of the Agreement are met at all times, including maintenance of a healthy lifestyle and fitness.

Talent Squad athletes will be required to sign an agreement and code of conduct.

The composition of the squad may be amended by the program Sport Partners at any time where an athlete's scholarship is withdrawn based on an athlete's performance review, or an athlete meets selection criteria during the course of a scholarship year.

The level of scholarship an athlete receives is performance based. All scholarships will be reviewed 2 times per year. These will be held on a 6 monthly basis following the domestic and international seasons.

Following each review, NSWIS athletes will either remain at their current scholarship level or be nominated by the NSWIS Head Coach to be moved to another scholarship level. Athletes who perform below expectation and do not meet expected performance indicators when they are on Potential International level may have their scholarship withdrawn.

Athlete Withdrawal from NSWIS Sport Squad Scholarship

An athlete wishing to withdraw from their NSWIS Scholarship may do so by informing the NSWIS Head Coach in writing at any time.

Any equipment loaned to an athlete through the NSWIS Program must be returned to the Head Coach upon withdrawal of a scholarship. Athletes who do not return equipment will be liable for the cost of all outstanding equipment.
