NSWIS Child Safe Policy

1.0 Purpose and Scope

The NSW Institute of Sport (**NSWIS**) has a zero-tolerance policy to child abuse and neglect in any form. NSWIS is committed to safeguarding, protecting, and promoting the welfare of Children through providing a safe and inclusive environment, and by ensuring that everyone involved in NSWIS is educated and informed of their responsibilities to protect and look after Children.

All Children have the right to feel safe and protected from all forms of Abuse, harm, and neglect. Children have the right to take part in sport in a safe, positive, and enjoyable environment. NSWIS aims to create and maintain an inclusive, child-safe environment that is understood, endorsed, implemented, and adhered to by everyone involved in NSWIS.

This Policy constitutes part of the Institute's overall proactive and preventative approach to upholding its commitment to the safety, wellbeing, participation, and empowerment of all Children in our daily training environments and workplace. This Policy seeks to ensure that everyone involved in NSWIS is aware of their rights and responsibilities in relation to Children.

This Policy sets out the standards of behaviour expected of those involved in NSWIS and the behaviours that are not acceptable (**Prohibited Conduct**).

This Policy also imposes obligations in relation to Mandatory Reporting and the required responses to allegations of Prohibited Conduct.

The purpose of this Policy is to:

- Create and promote a safe and positive environment for Children
- Provide the foundation for procedures and decision-making about NSWIS's interactions and involvement with Children

Child safety is about keeping Children and young people safe from Abuse and protecting them from people who are identified as unsuitable to work with Children.

All Relevant Persons to which this Policy applies must always comply with this Policy (while they are a Relevant Person), including in relation to any dealings they have with a Child arising from the Relevant Person's association with NSWIS.

As part of our sport partnership agreements with National Sporting Organisations (**NSO**), NSWIS requires that each NSO either (1) aligns with the policy requirements of the National Integrity Framework established by Sport Integrity Australia or (2) provides to NSWIS the NSO's child safeguarding policies.

Recruitment and Screening

These recruitment and screening requirements have been developed to provide a fair, safe, consistent, and comprehensive recruitment process. NSWIS takes child protection seriously and ensures that the organisation recruits personnel that are suitably qualified and committed to providing professional, safe, and enjoyable programs and services to Children.

1. Child-Related Positions

- a) All positions within NSWIS have been identified as 'child-related' and will require the successful applicant to be cleared by the relevant authorities as a person suitable to work with Children.

2. Position Descriptions

- a) Developing appropriate selection criteria for a position is a valuable first step to reducing the risk of appointing someone who poses a child safety risk
- b) Examples of appropriate selection criteria may include: 'Must have experience working with Children.' 'Must be able to demonstrate an understanding of appropriate behaviours when engaging with Children.'

3 Advertising

- a) All positions identified as child-related will include the following statement in the position description and any advertising: NSWIS is committed to protecting Children from harm. We require all applicants that will work with Children to undergo an extensive screening process prior to appointment.

4 Interviews

- a) All applicants for child-related positions are required to attend at least one interview, preferably in person or on a video conference (e.g., Zoom etc.). As per the NSWIS Recruitment Guidelines.

5. Working with Children Checks

- a) Working with Children Check (WWCC) laws aim to prevent people who pose a risk from working with Children as paid employees or volunteers. WWCC laws are currently in place in all Australian states and territories.
- b) These laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with Children.
- c) All personnel that require a WWCC will supply a copy of it to NSWIS on appointment to a role.
- d) NSWIS will not engage a person who does not have a satisfactory WWCC in the state of NSW.
- e) It is a serious breach of this Policy if an individual:
 - i) who has convictions that would make them ineligible to be granted a WWCC, is appointed to a child-related position or
 - ii) continues in their position if they have been charged or convicted of a crime that would make them ineligible to be granted a WWCC.
- f) Relevant Persons are required to report any criminal conviction or charge that indicates that they may present a potential risk to the Children to whom they help deliver programs or services, such as illegal drug possession or use, gun crimes and assault including adult sexual assault.

6. International Criminal History Record Checks

- a) Any applicant who has resided overseas for 12 months or more in the last ten years must obtain an international criminal history check.

- b) Some countries will not release information regarding an individual for personal or third-party purposes. Where police records checks cannot be made, reference checks must be conducted with at least two referees that personally knew the individual whilst they were residing in the other country.
- c) NSWIS will inform the applicant that referees will be asked whether they have knowledge or information concerning the applicant that would adversely affect the applicant from performing the job, including any relevant criminal offences. The credentials of persons acting as referees must be verified and can include previous employers or government officials.
- d) Overseas applicants should not commence until this process is satisfactorily completed.

7. Monitoring compliance

- a) NSWIS will ensure that all personnel in child-related positions have a current WWCC as specified in the WWCC legislation.

8. Reference checks

- a) NSWIS will conduct a minimum of two reference checks for the preferred applicant to gather additional information about the applicant's suitability to work in the role for which they have applied.
- b) The selected referees must:
 - i) be able to provide information relating to the applicant's suitability to work with Children;
 - ii) have known the applicant for at least 12 months;
 - iii) not be related to the applicant; and
 - iv) be able to vouch for the applicant's reputation and character.
- c) Referees will be asked directly about any concerns they may have about the applicant working with Children.

9. Qualification and registration checks

Educational or vocational qualifications, or professional registration will be verified for the preferred applicant for the position, if applicable.

10 Minors

- a) If a person under the age of 18 is appointed to a child-related position, NSWIS will:
 - i) comply with the relevant WWCC legislation;
 - ii) undertake appropriate screening (interviews and referee checks);
 - iii) ensure that they are aware that they are bound by the Child Safe Policy, Child Safe Practices and the obligations associated with working with Children; and
 - iv) obtain information about any pre-existing relationships, especially where the Child-applicant interacts personally with another Child participant.
