Our brand is a visual representation of our organisation. It represents who we are, what we stand for and what we aspire to achieve. Our brand has been designed to ensure synergy across all NSW Institute of Sport (NSWIS) communications and position our organisation for brand success.

### **LOGO USAGE**

#### 1. Minimum height

Our logo must be reproduced at a minimum height of 17mm.

To correctly change the size of the logo in a word document, right click the image and use the shape height and width adjustors at the top of the formatting menu.

#### 2. Logo clear space

We use a clear space around the logo that is 100% of the space of the 'N' in print and screen (except when used on apps, or social media profiles).

### ENDORSED LOGO

NSWIS has a NSW Government brand exemption and falls into the Endorsed category, where two logos are used — the NSWIS logo and the NSW Government logo. In this section we explain how to use these two logos together.

#### **Coupled relationship**

In applications with space restrictions, the NSWIS logo and NSW Government logo can be coupled together.

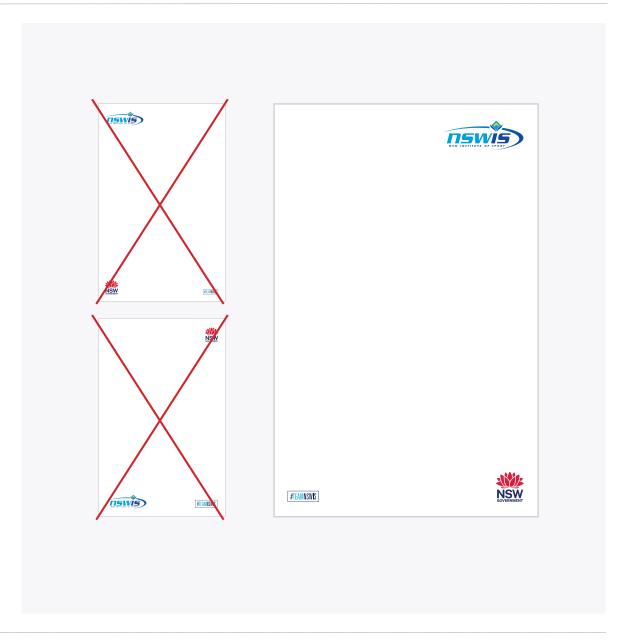

The NSWIS logo should come first, the logos are used at a visually equivalent size.

### ENDORSED LOGO

#### **Decoupled relationship**

The NSWIS logo should always appear first in the hierarchy, at a larger scale. In this category the endorsed brand is the prominent logo so the waratah plays a supporting role.

### SIZE RELATIONSHIP

#### **NSWIS** logo sizing

The NSWIS logo should always appear visually larger (roughly 150% in scale) than the NSW Government logo when decoupled.

# SMALL USE LOGOS

### **COLOURWAYS**

#### 1. Full colour (primary version)

The full colour logo must be given preference over all other versions for agency communications. The design of the communication should be considered to accommodate use of the full colour logo wherever possible.

#### 2. Mono (restricted use only)

Use the mono logo (black or white) only when a design cannot accommodate for the full colour or reverse (red waratah) logos or where colour reproduction is not available or appropriate.

This is for very restricted use only, where the full colour logos cannot be reproduced. Approval must be sought from the NSW Government Brand Team before using the mono.
